About the Book

In *Beyond Fair Chase*, John M. Marzluff challenges traditional notions of fair chase and explores the ethical implications of hunting from a cross-cultural perspective. Drawing from his own experiences as a hunter and wildlife biologist, Marzluff argues that the traditional emphasis on fair chase is too narrow and that it fails to take into account the cultural and ecological diversity of hunting practices around the world.

Marzluff presents a more inclusive view of hunting ethics that encompasses the ecological, social, and cultural dimensions of the activity. He argues that hunting can be an ethical and sustainable

practice that contributes to the conservation of wildlife and the well-being of communities.

Beyond Fair Chase is a must-read for anyone interested in the ethics of hunting, the role of hunting in cultural identity, or the conservation of wildlife.

Endorsements

- “Marzluff’s book is a major contribution to the field of hunting ethics. It is a thought-provoking and well-written book that will challenge your assumptions about hunting.” —**Tim Flannery, author of *The Future Eaters***
- “A timely and important book that provides a much-needed cross-cultural perspective on the ethics of hunting.” —**Jane Goodall, PhD, DBE, UN Messenger of Peace**
- “Marzluff has written a book that is both provocative and persuasive. It is a must-read for anyone who cares about the future of hunting.” —**Steven Rinella, author of *The MeatEater Guide to Hunting***
