When John Carroll was 14 years old, he took his first drink of alcohol. By the time he was 16, he was using drugs regularly. And by the time he was 18, he was addicted to both alcohol and drugs.

For the next 20 years, John's life spiraled out of control. He lost his job, his home, and his family. He spent time in and out of prison. And he came close to losing his life on several occasions.

But in 2002, John finally hit bottom. He was arrested for driving under the influence of alcohol and drugs, and he was facing a long prison sentence. But this time, something was different. John was tired of living the way he was. He was ready to change.

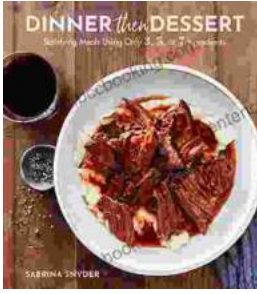

John went to rehab, and he began the long and difficult journey of recovery. It wasn't easy, but John was determined to change his life. He went to therapy, he joined a support group, and he started to rebuild his life.

Today, John is a successful businessman, a loving husband and father, and a dedicated volunteer in his community. He has been sober for over 10 years, and he is living proof that recovery is possible.

John's story is a powerful and inspiring reminder that no matter how far down you fall, you can always get back up. If you are struggling with addiction, or if you know someone who is, please know that there is hope. Recovery is possible.

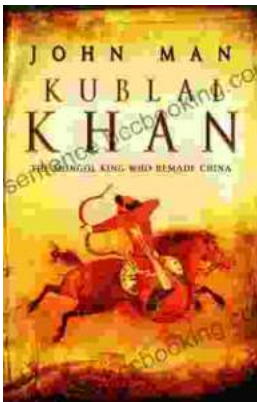

Broken is a must-read for anyone who has ever struggled with addiction or knows someone who has. It is a story of hope, redemption, and the power of the human spirit.
