Tresca was born in Sulmona, Italy, in 1879. He came to the United States in 1904 and quickly became involved in the labor movement. He was a delegate to the founding convention of the Industrial Workers of the World (IWW) in 1905, and he later served as the editor of the IWW's newspaper, Solidarity. Tresca was a strong advocate for free speech and civil liberties, and he often spoke out against the government's suppression of labor unions and radical organizations.

In 1922, Tresca founded the Italian-language newspaper *Il Martello* (The Hammer). *Il Martello* became a voice for the Italian-American community in New York City, and it quickly gained a reputation for its fearless reporting on corruption and injustice. Tresca's reporting made him a target of both the government and organized crime, and he was frequently threatened with violence and death.

In 1943, Tresca was assassinated in New York City. His murder remains unsolved, but it is widely believed that he was killed by organized crime figures who were angry at his reporting on their activities. Tresca's death was a major loss for the labor movement and for the cause of free speech and civil liberties.
