The book is divided into three parts:

1. **Part 1: The Basics**

This part covers the basics of child health, including nutrition, immunisation, and physical activity. It also discusses common childhood illnesses and injuries.

2. **Part 2: Specific Health Conditions**

This part covers specific health conditions that children may experience, such as asthma, eczema, and diabetes. It also discusses the signs and symptoms of these conditions, and how to manage them.

3. Part 3: Mental Health

This part covers mental health issues that children may experience, such as anxiety, depression, and eating disorders. It also discusses the signs and symptoms of these conditions, and how to get help.

Children Health To For New Zealand Parents is an essential resource for all parents of children in New Zealand. It is a comprehensive, up-to-date guide to the health and wellbeing of children, and it can help parents make informed decisions about their child's health.
