APSE MANIFIESTA SU PREOCUPACIÓN ANTE LA PRESENCIA DEL CORONAVIRUS COVID-19 EN COSTA RICA

APSE hace un llamado a su afiliación a estar alerta y seguir las indicaciones emitidas por el Ministerio de Salud y el Ministerio de Educación Pública ante la presencia del coronavirus COVID-19 en nuestro país.

Pero también hacemos un llamado vehemente a las autoridades del MEP a considerar el cierre inmediato de las instituciones educativas como medida de prevención por el posible contagio de esta enfermedad, y no esperar a que se presenten los casos, como se está haciendo en este momento, para proceder a su cierre, ya que esta no es una medida preventiva sino reactiva.

Por la confirmación de casos en Costa Rica es evidente que estamos en la etapa del contagio y para nosotros son tan importantes nuestros estudiantes y sus familias como el personal institucional y la población en general.

Esperamos una pronta respuesta a esta solicitud.
