Discover the Ultimate Guide to Building, Rigging, and Sailing Compact and Versatile Trimarans

In his highly anticipated follow-up to the groundbreaking book *Small Trimarans*, renowned author and multihull expert Joe Farinaccio presents an expanded and updated exploration of the world of small trimarans. With over three decades of practical experience and a passion for sharing his knowledge, Farinaccio offers invaluable insights into every aspect of trimaran design, construction, and sailing.

Delve into the Fascinating World of Multihulls

More Small Trimarans takes you on a comprehensive journey through the vibrant world of multihull sailing. Explore the advantages and unique characteristics of trimarans compared to other boat types. Gain a deep understanding of the design principles, stability factors, and performance capabilities of these versatile vessels.

Build Your Dream Trimaran with Confidence

Whether you're an aspiring boatbuilder or an experienced sailor looking to expand your fleet, *More Small Trimarans* provides comprehensive guidance on every stage of the trimaran construction process. From

selecting the right materials and design to tackling complex hull shaping and deck construction, Farinaccio covers it all with meticulous detail and practical tips.

Rig and Sail Your Trimaran for Maximum Performance

Once your trimaran is complete, it's time to rig and sail it for maximum performance and enjoyment. *More Small Trimarans* offers invaluable advice on selecting the right sails, rigging configurations, and steering systems for your specific boat. Discover the secrets of efficient sail handling, trimming, and seamanship that will make your trimaran a joy to sail.

Explore New Horizons and Embrace Adventure

With your trimaran ready to conquer the seas, the possibilities for adventure are endless. *More Small Trimarans* provides inspiration and practical advice for coastal cruising, offshore passages, and even extended expeditions. Learn about essential navigation skills, safety considerations, and provisioning strategies to ensure a safe and enjoyable journey.

A Wealth of Knowledge Gained from First-Hand Experience

As a seasoned multihull sailor and renowned boatbuilder, Joe Farinaccio brings a wealth of firsthand experience and practical knowledge to *More Small Trimarans*. This book is not just a theoretical guide but a real-world compendium of insights gleaned from years of building, sailing, and living on trimarans.

Free Download Your Copy Today and Embark on a Multihull Adventure

If you're ready to discover the joys of sailing small trimarans, More Small Trimarans is an indispensable resource that will guide you every step of the way. Free Download your copy today and unlock the freedom and adventure that only a multihull can provide.
