

# How to Fight War on Your Own Terms: A Soldier's Guide to Insurgency and Counterinsurgency

War is a complex and ever-changing phenomenon. There is no one-size-fits-all approach to fighting and winning wars. In recent years, we have seen a resurgence of insurgency and counterinsurgency warfare. These types of warfare are often fought in complex urban environments and involve a wide range of actors, including civilians, insurgents, and government forces.

In *How to Fight War on Your Own Terms*, author and former soldier David Kilcullen provides a comprehensive guide to insurgency and counterinsurgency warfare. Kilcullen draws on his extensive experience in Afghanistan and Iraq to offer practical advice on how to fight and win in these challenging environments.

The book is divided into three parts. The first part provides an overview of the history, theory, and practice of insurgency and counterinsurgency warfare. The second part offers practical advice on how to fight and win in these types of conflicts. The third part examines the challenges and opportunities of fighting war in the 21st century.

*How to Fight War on Your Own Terms* is an essential resource for anyone who wants to understand the challenges and opportunities of fighting war in the 21st century. Kilcullen's insights are invaluable for soldiers, policymakers, and anyone else who is interested in this complex and ever-changing phenomenon.

## **About the Author**

David Kilcullen is a former soldier and author. He has served in Afghanistan, Iraq, and Bosnia, and has advised governments and militaries around the world on counterinsurgency and counterterrorism.

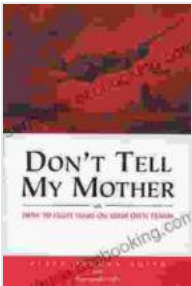

Kilcullen is a graduate of the Royal Military Academy Sandhurst and the University of Oxford. He is a senior fellow at the Center for a New American Security and a visiting professor at the Australian National University.

Kilcullen has written extensively on insurgency and counterinsurgency warfare. His books include *The Accidental Guerrilla*, *Counterinsurgency*, and *Blood Year*.
