In The Wake Of Madness is a gripping and unsettling psychological thriller that will keep you on the edge of your seat from start to finish.

The novel tells the story of Dr. Julian Frost, a brilliant but troubled psychiatrist who is haunted by the tragic death of his wife. When he is asked to evaluate a patient who claims to have killed her husband in a fit of madness, Julian is drawn into a web of deceit and danger.

As Julian delves deeper into the case, he begins to question his own sanity. The patient's story is so bizarre and disturbing that it challenges everything Julian thought he knew about the human mind.

Soon, Julian finds himself caught in a deadly game of cat and mouse with a killer who is both brilliant and ruthless. As the body count rises, Julian must

race against time to stop the killer before it's too late.

In The Wake Of Madness is a masterfully crafted psychological thriller that will keep you guessing until the very end.

Praise for In The Wake Of Madness

"A gripping and unsettling thriller that will keep you on the edge of your seat from start to finish." - **Publishers Weekly**

"A tour-de-force of psychological suspense." - **Kirkus Reviews**

"A chilling and thought-provoking thriller that will stay with you long after you finish it." - **Booklist**
