Kapiolani, the Heroine of Hawaii, is an inspiring historical novel that tells the true story of one of Hawaii's most beloved figures. Kapiolani was a woman of great courage, faith, and love, and her story is one that will stay with readers long after they finish the book.

Kapiolani was born into a royal family on the island of Hawaii in 1834. She was a beautiful and intelligent young woman, and she was quickly married to a high-ranking chief. However, Kapiolani's life was not easy. She was often sick, and she had several miscarriages.

In 1850, Kapiolani's husband converted to Christianity. Kapiolani was initially reluctant to follow her husband's lead, but she eventually came to believe in the Christian faith. Her conversion had a profound impact on her life, and she became a passionate advocate for Christianity in Hawaii.

In 1860, Kapiolani traveled to the island of Maui to spread the Christian faith. She was met with resistance from the local people, who were still practicing their traditional religion. However, Kapiolani was undeterred. She continued to preach the gospel, and she eventually won over many of the people on Maui.

Kapiolani's work had a lasting impact on Hawaii. She helped to spread the Christian faith throughout the islands, and she played a major role in the development of Hawaiian culture. Kapiolani was a true heroine, and her story is one that should be told for generations to come.

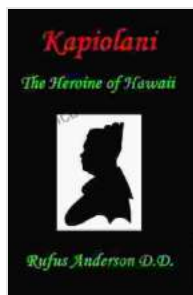

Kapiolani, the Heroine of Hawaii, is a beautifully written and inspiring novel. The author, Diane Chamberlain, has done a wonderful job of bringing Kapiolani's story to life. The novel is full of rich historical detail, and the characters are well-developed and believable.

I highly recommend Kapiolani, the Heroine of Hawaii, to anyone who is interested in Hawaiian history or who enjoys a good historical novel. It is a truly inspiring story of courage, faith, and love.
