A Revolutionary Shift in Safety

The traditional approach to safety, focused solely on compliance and avoiding negative outcomes, is no longer enough. In today's rapidly changing and complex world, organizations need a more proactive and engaging approach to safety that empowers employees to take ownership of their well-being and the well-being of others.

Next Generation Safety Leadership: From Compliance to Care provides a groundbreaking framework for this new era of safety leadership. This

comprehensive guide outlines a step-by-step process for creating a safety culture that is:

- **Proactive:** Anticipating and addressing hazards before they cause harm.
- **Employee-centered:** Empowering employees to identify and mitigate risks, report hazards, and make safety decisions.
- **Values-based:** Rooted in the belief that every employee deserves to work in a safe and healthy environment.

Through real-world examples and practical tools, *Next Generation Safety Leadership* shows how to:

- Build a strong safety foundation based on trust and respect.
- Engage employees in safety decision-making and empower them to take action.
- Create a culture of continuous improvement where safety is everyone's responsibility.
- Measure the effectiveness of your safety program and make data-driven decisions.

Next Generation Safety Leadership is an essential resource for safety leaders, HR professionals, and anyone who wants to create a more positive and productive work environment. By embracing this new approach, organizations can achieve:

- Reduced accidents and injuries

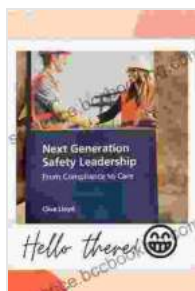

- Improved employee morale and engagement
- Increased productivity and efficiency
- Enhanced reputation and brand value
