Franklin wants to help his parents, so he decides to invent a machine that will help them with their work.

Franklin works hard on his invention, and after many tries, he finally creates a machine that works. The machine helps Franklin's father harvest the crops, and it helps Franklin's mother finish the dress.

Franklin's parents are so grateful for his help. They tell him that he's a wonderful inventor, and they encourage him to keep following his dreams.

Franklin is proud of his invention, and he knows that he can achieve anything he sets his mind to.

## **The Importance of Hard Work, Perseverance, and Creativity**

*Nice Work Franklin Joanne Mattern* is a great book for teaching children about the importance of hard work, perseverance, and creativity.

Franklin's story shows that anything is possible if you set your mind to it. He didn't give up on his invention, even when he failed many times.

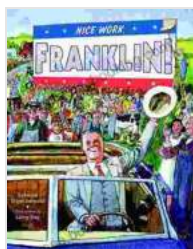

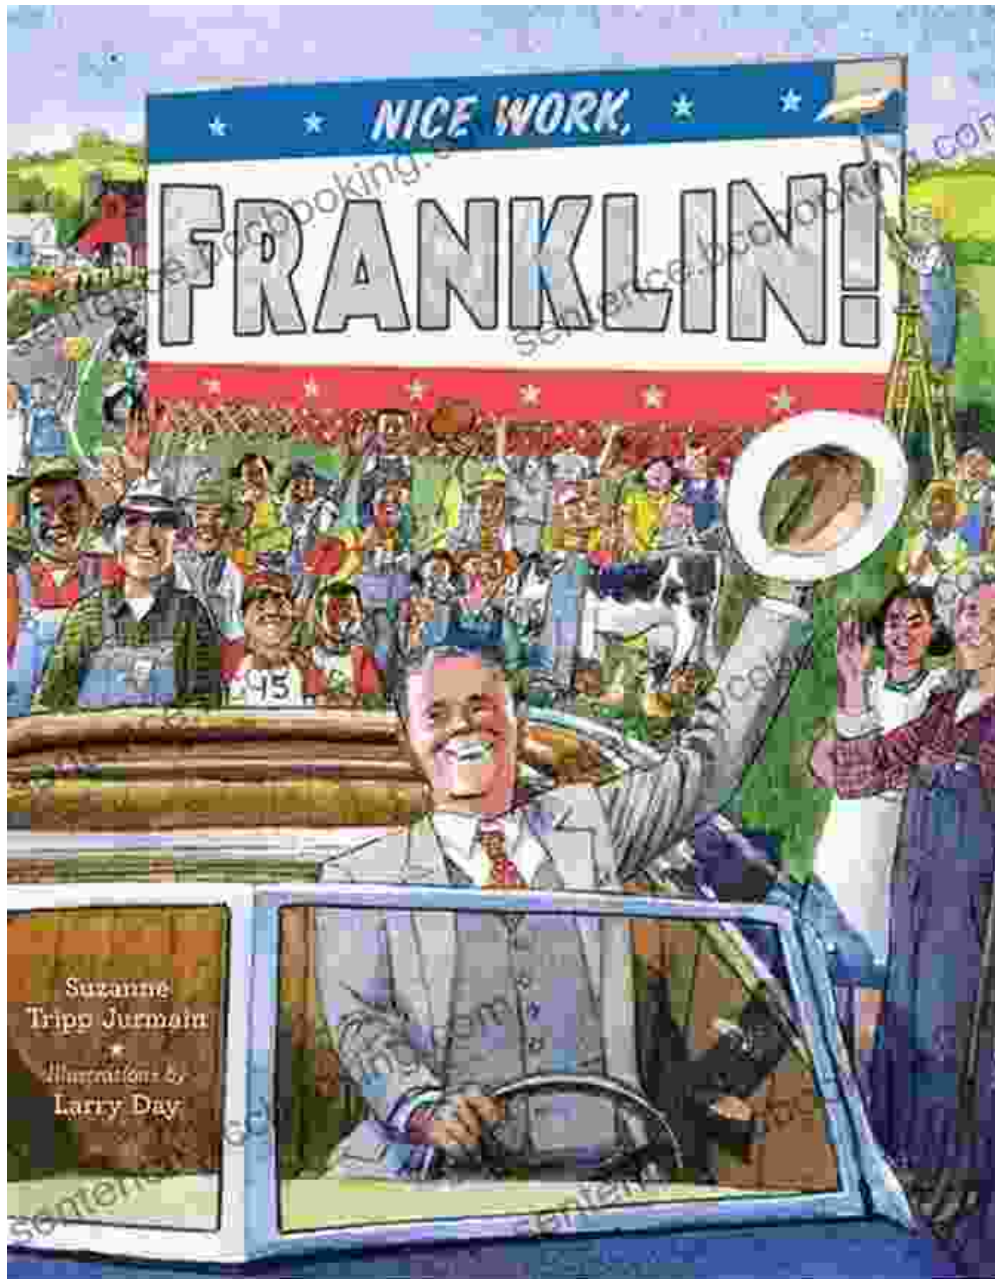

Franklin's story also shows the importance of creativity. He didn't just copy someone else's invention. He came up with his own unique idea.

*Nice Work Franklin Joanne Mattern* is a great book for children of all ages. It's a fun and inspiring story that teaches important lessons about hard work, perseverance, and creativity.
