Matalin has been a behind-the-scenes player in some of the most important political campaigns of our time, including the presidential campaigns of George H.W. Bush, George W. Bush, and Sarah Palin. She has also served as an advisor to Vice President Dick Cheney and President Donald Trump.

In her book, Matalin shares her insights on the unique challenges that women face in politics, including sexism, discrimination, and the double standard that women are often held to. She also discusses the importance of mentorship and support for women leaders, and the need for more women to run for office and serve in positions of power.

Matalin's book is a must-read for anyone interested in women's leadership, politics, and the lessons we can learn from their experiences. She provides a valuable perspective on the challenges and rewards of being a woman leader, and her insights are sure to inspire and motivate readers of all genders.

Here are some of the key takeaways from Matalin's book:

- Women face unique challenges in politics, including sexism, discrimination, and the double standard.
- Mentorship and support are essential for women leaders.
- More women need to run for office and serve in positions of power.
- Women leaders can make a significant difference in the world.

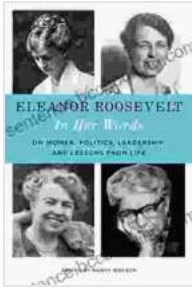

Matalin's book is a timely and important contribution to the discussion of women's leadership. It is a must-read for anyone who is interested in the role of women in politics and the challenges and rewards of being a woman leader.
