In the final days of World War II in Europe, the Soviet Army launched a massive offensive to capture the German capital, Berlin. The battle for Berlin was one of the bloodiest and most brutal urban battles in history, as the Red Army fought its way through the ruins of the city, determined to crush the Nazi regime.

In his gripping account of the battle, Anthony Beevor brings to life the chaos and carnage of urban warfare, as the Red Army fought its way through the streets of Berlin, room by room and building by building. Beevor draws on a wealth of primary sources, including eyewitness accounts, diaries, and letters, to provide a vivid and unflinching portrait of the battle.

Race For The Reichstag is a masterful work of military history that tells the story of one of the most important battles of the twentieth century. Beevor's vivid prose and meticulous research bring to life the chaos and carnage of urban warfare, and his account of the battle is both gripping and thought-provoking.

Praise for Race For The Reichstag

"A gripping account of one of the most important battles of the twentieth century. Beevor's vivid prose and meticulous research bring to life the chaos and carnage of urban warfare." - The New York Times

"A masterful work of military history that is both gripping and thought-provoking." - The Washington Post

"Beevor's account of the battle is a must-read for anyone interested in World War II or military history." - The Guardian

About the Author

Anthony Beevor is a British historian and author. He is the author of several books on military history, including Stalingrad, Berlin: The Downfall 1945, and D-Day: The Battle for Normandy. Beevor's books have been translated into more than thirty languages and have won numerous awards.
