Slobberknocker is a gripping tell-all memoir that takes readers inside the brutal world of professional wrestling. Written by legendary wrestler Jim Duggan, the book is a no-holds-barred account of his rise to the top, his battles with addiction and injury, and his ultimate triumph over adversity.

Duggan's story is one of perseverance and determination. He grew up in a small town in Pennsylvania, and from a young age he dreamed of becoming a wrestler. He started out wrestling in local carnivals and bars, and eventually worked his way up to the big leagues. In the 1980s, he became one of the most popular wrestlers in the WWF, known for his signature move, the "Clothesline from Hell." He was also a member of the popular tag team, The Legion of Doom.

But Duggan's success came at a price. He wrestled with addiction and injury throughout his career. He was involved in several car accidents, and he suffered a heart attack in 1994. But through it all, he never gave up on his dream. He continued to wrestle, and he eventually regained his health and his career.

Slobberknocker is a fascinating and inspiring story of one man's journey to the top of the wrestling world. It is a must-read for any fan of professional wrestling.

Praise for Slobberknocker

“Slobberknocker is a wild ride through the world of professional wrestling. Jim Duggan tells his story with honesty

and humor, and he doesn't shy away from the dark side of the business." - Jerry Lawler
