This book tells the story of NRDC's fight to save our planet. It is a story of courage, determination, and innovation. It is a story that will inspire you to get involved in the fight for a better future.

## The Early Years

NRDC was founded in 1970 by a group of lawyers and scientists who were concerned about the environmental damage being caused by pollution and other human activities.

In its early years, NRDC focused on fighting pollution. The organization's lawyers filed lawsuits against companies that were polluting the air and water. NRDC also worked to pass laws to protect the environment.

NRDC's efforts helped to raise awareness about the dangers of pollution. The organization's work also led to the passage of landmark environmental laws, such as the Clean Air Act and the Clean Water Act.

## **The Fight Against Climate Change**

In the 1980s, NRDC began to focus on the threat of climate change. The organization's scientists published groundbreaking research on the causes and effects of climate change.

NRDC's work on climate change helped to raise awareness about the issue. The organization's advocacy also led to the passage of the Kyoto Protocol, an international treaty to reduce greenhouse gas emissions.

## **Protecting the Planet Today**

Today, NRDC continues to fight for the protection of the planet. The organization works on a wide range of issues, including climate change, pollution, conservation, and sustainable development.

NRDC's work has helped to make a real difference in the world. The organization has helped to protect the air we breathe, the water we drink, and the land we live on.

## **How You Can Help**

You can help NRDC continue its fight to save our planet. Here are a few ways you can get involved:

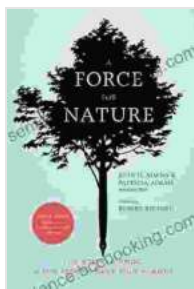

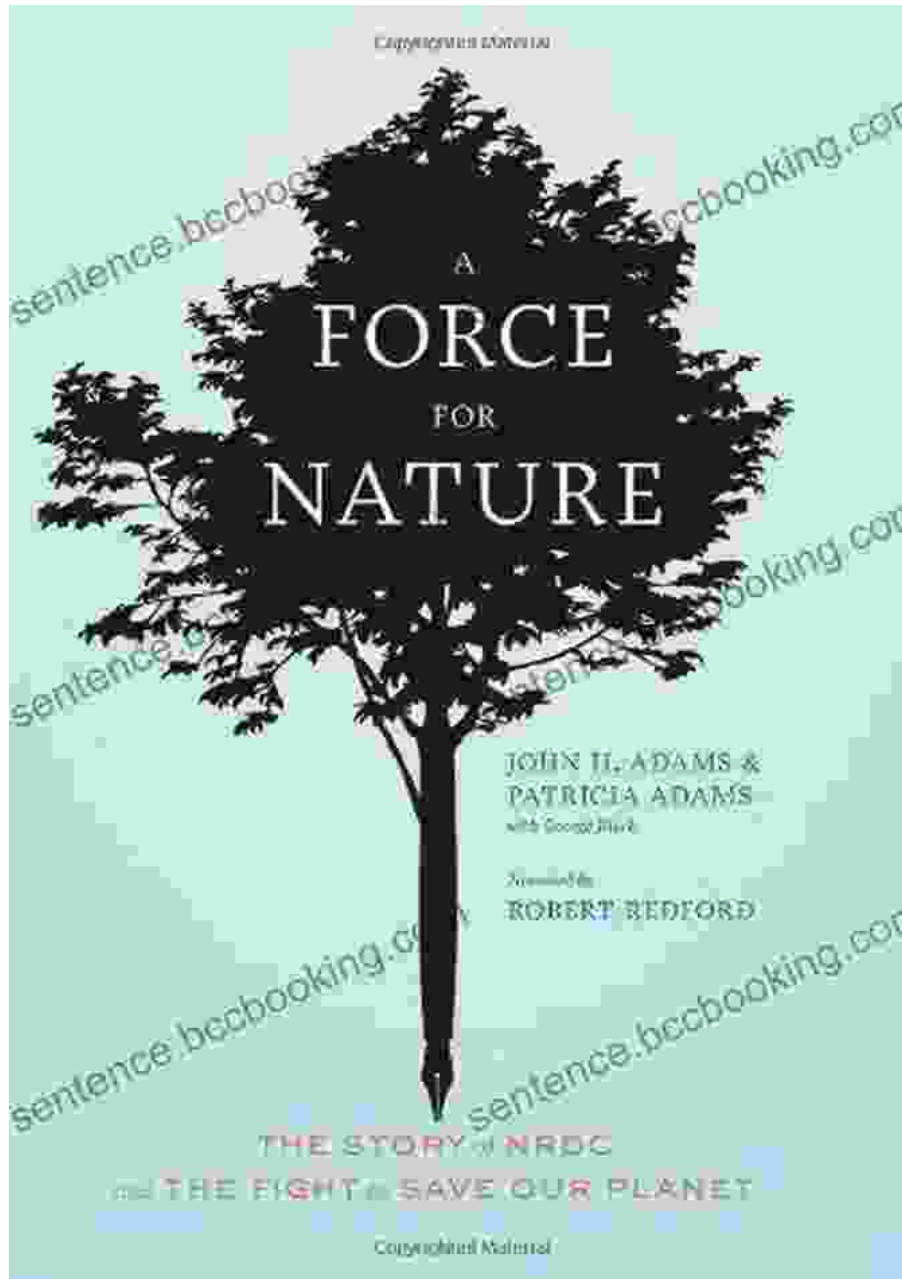

- Donate to NRDC.
- Volunteer your time.
- Spread the word about NRDC's work.
- Get involved in your community.

Every little bit helps. Together, we can protect our planet for future generations.

The story of NRDC is a story of hope. It is a story of what can be achieved when people come together to fight for a better future.

NRDC's work is not yet done. The organization will continue to fight for the protection of our planet. With your help, NRDC can win the fight to save our planet.
