Have you ever felt like you were the worst storyteller in the world? Like you could never come up with a good story to tell, or that your stories were always boring or awkward? If so, then you're not alone. Millions of people suffer from the same affliction. But fear not, because there is hope. *The Terrible Storyteller Memoir* is a hilarious and heartfelt account of one woman's journey to find her voice as a writer.

In this book, author Jenny Lawson shares her own experiences with being a terrible storyteller. She talks about the time she told a story about her dog at a party and everyone laughed at her, and the time she tried to write a short story and it turned out to be the worst thing she had ever read. But through it all, Lawson never gave up on her dream of becoming a writer. She kept practicing, and eventually, she found her voice.
