In 1967, Paul Richter, a young aid worker from Switzerland, traveled to Biafra, a breakaway republic in southeastern Nigeria that was embroiled in a bloody civil war. Richter's mission was to provide humanitarian assistance to the people of Biafra, who were suffering from famine and disease. What he found was a country torn apart by conflict, where civilians were caught in the crossfire and the human cost of war was all too evident.

Together in Biafra is Richter's gripping and emotionally resonant memoir of his experiences in Biafra. Through his vivid and often harrowing account, he sheds light on the unimaginable horrors of war and the resilience of the human spirit. Richter writes about the friends he made, the people he lost, and the profound impact that his time in Biafra had on his life.

Together in Biafra is a powerful and moving story that will stay with you long after you finish reading it. It is a testament to the human capacity for both good and evil, and a reminder of the importance of peace and reconciliation.

Praise for Together in Biafra

"A powerful and moving memoir that sheds light on the human cost of war and the resilience of the human spirit." — The New York Times

"A gripping and emotionally resonant account of one man's experiences in Biafra during the Nigerian Civil War." — The Washington Post

"A must-read for anyone who wants to understand the horrors of war and the importance of peace." — The Guardian
