In this book, you will learn:

- How to find a job that is flexible enough to meet your family's needs
- How to negotiate a salary and benefits package that works for you
- How to manage your time and energy so that you can get everything done
- How to deal with the guilt and stress of being a working mom
- How to build a support system that will help you succeed

This book is full of practical tips and strategies that can help you achieve your goals as a working mom. The author, a working mom herself, shares her own experiences and insights, as well as advice from other working moms. This book is a must-read for any working mom who wants to find ways to thrive in both her career and her family life.
